BEFORE THE FISH, WILDLIFE AND PARKS COMMISSION OF THE STATE OF MONTANA

In the matter of the adoption of a	
temporary emergency rule closing	NOTICE OF ADOPTION OF A
Lake Inez, Missoula County, MT	TEMPORARY EMERGENCY RULE

TO: All Concerned Persons

- 1. The Fish, Wildlife and Parks Commission (commission) believes the following reasons justify the adoption of a temporary emergency rule:
- (a) There is an immediate need for a source of water for aircraft dropping water on the Jocko Lakes fire.
- (b) The CL 215 Scooper aircraft lands on the lake, immediately throttles up while pumping in 1500 gallons of water, and takes off without ever stopping. Helicopters may also be dipping out of the lake as well.
- (c) Persons on Lake Inez recreating while aircraft are loading water would be subjected to potential collisions that could result in injury or death. Furthermore, flight crews would be subjected to increased and additional peril if aircraft had to maneuver to avoid recreationists.
- (d) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the commission adopts the following temporary emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties, and published as a temporary emergency rule in Issue No. 16 of the 2007 Montana Administrative Register.
- 2. The commission will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on August 30, 2007, to advise us of the nature of the accommodation that you need. Please contact Jessica Snyder, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-4594; fax (406) 444-7456; or e-mail jesnyder@mt.gov.
- 3. The temporary emergency rule is effective August 14, 2007 when this rule notice is filed with the Secretary of State.
 - 4. The text of the temporary emergency rule provides as follows:

RULE I LAKE INEZ TEMPORARY EMERGENCY CLOSURE (1) Lake Inez is located in Missoula County.

(2) Lake Inez is closed to all boating, floating, and swimming and any other public occupation of the lakes.

(3) This rule is effective as long as Lake Inez is needed as a source of water for fighting wildfires. The commission delegates its authority to the department, in consultation with the commissioner in the region, to determine when Lake Inez is again safe for boating, floating, and swimming and any other occupation of the water and to rescind the temporary emergency closure.

- 5. The rationale for the temporary emergency rule is as set forth in paragraph 1.
- 6. This rule will expire as soon as the department determines the lake is again safe for boating, floating, and swimming and any other occupation of the lake. This will depend on the extent and duration of wildfires in the area. Signs restricting use of the lake will be removed when the rule is no longer effective. Notice of repeal of this emergency rule will be published in the Montana Administrative Register.
- 7. Concerned persons are encouraged to submit their comments to the department. They should submit their comments along with their names and addresses to Jessica Snyder, Legal Unit, Department of Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, Montana 59620-0701; telephone (406) 444-4594; fax (406) 444-7456; or e-mail jesnyder@mt.gov. Any comments must be received no later than August 31, 2007.
- 8. The department maintains a list of interested persons who wish to receive notice of rulemaking actions proposed by the department or commission. Persons who wish to have their name added to the list shall make written request that includes the name and mailing address of the person to receive the notice and specifies the subject or subjects about which the person wishes to receive notice. Such written request may be mailed or delivered to Fish, Wildlife and Parks, Legal Unit, P.O.  - 9. The bill sponsor notice requirements of 2-4-302, MCA, do not apply.
